Dear Mr. Carpenter

We have received a copy of a letter to you from the Utah Division of Oil, Gas and Mining (UDOGM) informing you that you have a Non-Compliance Notice from UDOGM pending. If you receive a Non-Compliance Notice from UDOGM, you will automatically receive a 43 CFR §3809 Notice of Noncompliance.

In addition, you were sent information requested by you on October 29, 1998 and a letter January 12, 1999, requesting that you contact Larry Garahana of this office in order to arrange for the reclamation of the surface disturbance located in Section 26, T. 23 S., R. 9 W. on the Snowflake 30 and Snowflake 31 mining claims.

You must commence reclamation of the disturbance within thirty days of the receipt of this letter or you will receive a Notice of Noncompliance.

A subsequent failure to comply with a Notice of Noncompliance will result in the establishment of a Record of Noncompliance. A Record of Noncompliance will result in the necessity of filing a Plan of Operations and submitting a bond to the BLM for any mining related activity on the Public Lands anywhere in the United States.

If you have any questions, please contact me at (435) 743-3126 or Larry Garahana at (435) 743-3125.

Sincerely,

Ron Teseneer  
Geologist
